The Research Executive Agency (REA) is a funding body created by the European Commission to maximise the efficiency and impact of EU research and innovation programmes.

The REA manages research proposals and funded projects under Horizon 2020 and the Seventh Framework Programme (FP7) by:

- delivering **efficient** and **effective** services to our clients: applicants, beneficiaries, experts, and related Services of the European Commission
- establishing **close contact** with beneficiaries
- ensuring **high visibility** of the EU's research activities.

Through its high-quality services, REA ensures the evaluation of proposals as well the close monitoring of the funded projects, guaranteeing a real impact on tackling European societal challenges and improving Europe's global competitiveness.
